ABOUT THE EVENT

The 27th annual Richard E. Marriott Golf Invitational is October 7-9, 2024, at PGA National Resort in beautiful Palm Beach Gardens, Florida. This is the largest event benefitting the National Restaurant Association's Restaurant Advocacy Fund (RAF). In addition to supporting the industry's advocacy work, attendees will enjoy three days of golf, two nights of hotel accommodations at PGA National Resort, and networking opportunities with leaders of the restaurant and hospitality industry.

PGA National Resort offers guests an unforgettable experience around world-class golf, imaginative dining, relaxation and rejuvenation in a timeless, luxury setting. It's not just a resort, it's a way of life.

THE CHAMPION

Originally designed by Tom and George Fazio for major tournament play, The Champion was redesigned by Jack Nicklaus in 2014 and hosts the PGA TOUR's Honda Classic each spring. It features The Bear Trap, which spans three demanding holes designed by Nicklaus, and is called "one of the toughest stretches in golf."

Considered one of the toughest tests on the PGA TOUR, The Champion golf course at PGA National Resort is 7,045 yards of peril, with tricky South Florida winds constantly causing havoc, and seemingly tranquil water penalty areas lurking throughout, ready to strike down even the world's best golfers.

THE FAZIO

Originally designed as a tribute to five-time PGA champion Walter Hagen, The Fazio golf course pairs classic architecture with modern advances. It's an ideal balance where single-digit golfers will be fully challenged, while those with higher handicaps are in for a great round of entertaining resort golf.

THE PALMER

Named after its legendary designer Arnold Palmer, this championship golf course is one of the more forgiving at PGA National Resort. It's also one of the most overall entertaining courses for players of all skill levels. Paired with a great series of finishing holes, The Palmer golf course is all about risks/rewards and genuinely fun. Just like its namesake.
